## PROFESSIONAL EXPERIENCE

**AI Product Manager** | Panomix *2024 – Present*

- Led end-to-end product lifecycle for AI products (NewsChat, AEKO etc. ): writing PRDs and user stories, prioritizing backlogs, and coordinating with Engineering & Design to hit launch milestones
- Scaled NewsChat to 1M+ MAU in 5 months, drove +10% ad CTR and +250% session time through AI-driven UX and recirculation
- Spearheaded 0-to-1 build of AEKO, a B2B SaaS AEO platform – scoping MVP, defining product vision, and supporting early fundraising
- Translated user research and LLM prompt evaluation into prioritized features, boosting product quality and engagement
- Pioneered contextual ad integration that drove 3.5x ARPU, generating affiliate revenue; early success led to productization and adoption by new clients

**Branding & Marketing** Intern | Edelman *May 2023 – Jul 2023*

- Supported execution of marketing campaigns for clients and drafted timely performance reports based on engagement metrics
- Participated in strategy development for new businesses through extensive market research and conducting competitor analysis

**Council Development** Intern | Gerson Lehrman Group (GLG) *May 2022 – Aug 2022*

- Interviewed 20 + international industry experts daily to evaluate feasibility of consulting projects and provide actionable insights for clients
- Delivered comprehensive, research-backed content across diverse industries to support consulting/corporate clients
- Cooperated with cross-bordered teams on expert analysis, ensuring accurate and thorough client support

**Product Growth** Intern | Tridge *Jun 2021 – Jul 2021*

- Compiled and organized product and client data into company databases for efficient tracking and analysis
- Conducted interviews with local Project Managers to gather quantitative and qualitative insights for marketing content
- Drafted and localized website content, translating Chinese materials and tailoring storytelling for marketing impact

## EDUCATION

**Carnegie Mellon University** *Aug 2019 – May 2024*

- Bachelor of Science in Decision Science; Minors in H.C.I. (Human-Computer Interaction) & Architecture

**Shanghai American School (Puxi Campus)** *Aug 2007 – May 2019*

- High School Diploma; International Baccalaureate (IB) & Advanced Placement (AP) mixed program
