

JUSTINA JI YEON YOO

Website: justinayoo.com | Email: justina.yoo@gmail.com | LinkedIn: justina-ji-yeon-yoo

AI strategist and operator with experience shipping 0→1 GenAI products across B2B SaaS, media, and B2C consumer apps. Beyond building AI products, I integrate AI into internal workflows and systems — from autonomous agents to automated pipelines that multiply team output. Proven track record scaling products to 1M+ users and driving measurable revenue growth. Trilingual with deep cross-cultural fluency across Asian markets. [Right to Work in Hong Kong: HKID holder, open to opportunities in Hong Kong and across Asia.](#)

PROFESSIONAL EXPERIENCE

AX Consultant & Operations Specialist June 2026 – Present

Client: Vectus (Early Stage FinTech Investment Platform)

- MVP development (AI-driven investment recommendation, portfolio tracking & risk-profiling features); redesigned product experience and supported operational setup.

AI Product Manager | Panomix & AEKO Intelligence May 2024 – May 2026

AEKO – B2B SaaS AEO platform helping e-commerce brands optimize visibility across AI platforms

- Owned end-to-end product from concept to MVP launch as sole PM: defined vision, scoped features, built prototype, and led engineering and design
- Designed visibility scoring and source attribution systems to quantify brand mentions across answer engines, turning prompt evaluation into prioritized features
- Shipped MCP server integrations and launched aeko.shop, a citeable content surface optimized for AI answer engine citation

NewsChat – Generative AI-powered chat product

- Scaled to 1M+ MAU in 5 months with +10% ad CTR and +250% session time; pioneered contextual ad integration driving 3.5x ARPU, later productized for new clients

Branding & Marketing Intern | Edelman May 2023 – Jul 2023

- Executed marketing campaigns and drafted performance reports through market research and competitor analysis for global clients.

Council Development Intern | Gerson Lehrman Group (GLG) May 2022 – Aug 2022

- Interviewed 20+ international industry experts daily to surface actionable insights for consulting and corporate clients.

Product Growth Intern | Tridge Jun 2021 – Jul 2021

- Ran user research with regional Project Managers to surface insights shaping go-to-market positioning across international markets
- Structured product and client datasets to enable performance tracking and content prioritization

EDUCATION

Carnegie Mellon University Aug 2019 – May 2024

- Bachelor of Science in Decision Science, Minor in HCI (Human-Computer Interaction)

Shanghai American School (Puxi Campus) Aug 2007 – May 2019

- High School Diploma; International Baccalaureate (IB) & Advanced Placement (AP)
